SUMMIT BACKGROUND

A leader is one who knows the way, goes the way and shows the way, writes John Maxwell. Everything rises and falls on a leader. The neglect of responsibilities or lack of sufficient knowledge on how to undertake them is one of the reasons why our institutions, governments and organizations are facing challenges. The reality of the societies we live in today is that there is no free way to the future, no paved highway from here to tomorrow, there is only wilderness, only uncertain terrain, and there are no roadmaps and no signposts. Instead, the explorer relies upon a compass and a dream; a source of influence from the author of leadership, the almighty God. The vision of a leader acts as the magnetic North of his/her space of influence. A leader possesses the extra-ordinary ability to change. However, this has seemed to be a challenge for many, not because many are less-mandated to be leaders but because leadership is more than we think, imagine, perceive or even talk about. Leadership is God's own institution.

Students Leadership Summit is an annual conference that aims to attract campus and college students from Kenyatta University and its neighboring colleges and campuses with the objective of building leadership capacities in them through conference speakers, panels, seminars, discussions and exhibitions. The summit is founded on Christian values with no denominational bias.

MESSAGE FROM THE CHRISTIAN UNION CHAIRPERSON

It is my great pleasure to warmly welcome you to the 2nd Annual Students' Leadership Summit (SLS). SLS is here to paint the right and biblical picture of the leadership as God intended. When God calls us to be leaders over His people, He expects us to do our best to meet His expectations. He therefore becomes our main mentor and Scriptures our roadmap. I hope this summit will not only provide a platform for mentorship in godly leadership but also catalyze our spirits with an impact to go out there and seek our opportunities to change the society and transform others.

I hope that all of us who gather in this Summit will be equipped, challenged and inspired to be God's agents of change by offering value-based leadership wherever we go. I believe that Kenyatta University and Kenya will be a better place because you are here. May the summit prepare you for what awaits you beyond the horizons. Set the right frame of mind and heart as you hope and trust God to minister to you through the sessions prepared for you and the delegates you will interact with.

You are most welcome to SLS 2020.

Br. David Muraya | Chairperson, Kenyatta University Christian Union 2019/2020

MESSAGE FROM THE SUMMIT ADMINISTRATOR

Leaders are Born, Made and Called. Being anointed does not guarantee you not to sit down and be trained. In the ancient times, there were no Leadership courses where people could go for training, rather God called Men who seemed not to have been in a prayer and Fasting sessions or have been in Bible school. He rather calls men who seem to have a heart to heed to instructions. The first time Leadership is mentioned in the Bible is when assignment called. The Garden is ready but the person to work on it is not there. God goes ahead, makes the man and put him in charge. When God meets Moses in Exodus 3, God Calls him to stand in the gap and lead the people of Israel. That was big assignment.

In the current World, we have leaders who have passion for leadership but without divine empowerment. That's why we see the rise in evil because they are not serving the assignment given rather, they are obsessed with their personal interests. God given assignment either in the Law Firm, Science and Technology, Business, or Governance ought to be the driving force for authentic leadership. This is the reason for this Summit. Just like Jesus called the twelve to be with Him, then empowered before going to preach, we have gathered to be trained, empowered and sent. It has taken months of planning. I thank God for the able team that has been working round the clock by His grace to ensure the Summit is kicking. Glory to His Name. Your availability is not in vain. Sit back, get your heart ready to learn, get challenged and be ready to serve your Assignment.

Karibuni Sana.

THEME SONG

HE LEADETH ME

He leadeth me: O blessed thought!
O words with heavenly comfort fraught!
Whate'er I do, where'er I be,
Still 'tis God's hand that leadeth me.

*He leadeth me, he leadeth me,
By his own hand he leadeth me;
His faithful follower I would be, For
by his hand he leadeth me.*

Sometimes mid scenes of deepest gloom,
Sometimes where Eden's bowers bloom,
By waters still, o'er troubled sea,
Still 'tis his hand that leadeth me.

(Refrain)

Lord, I would place thine hand in mine,
Nor ever murmur nor repine;
Content, whatever lot I see,
Since 'tis thine hand that leadeth me.

(Refrain)

And when my task on earth is done,
When by thy grace the victory's won,
E'en death's cold wave I will not flee,
Since God through Jordan leadeth me.
