

No.			SPEAKERS			
	NAME	COMPANY	Country	PROFESSION	ROLE	TOPICS
1.	Elizabeth Migwalla	Qualcomm International Incorporated	South Africa	Senior Director and Head of Government Affairs-Middle East and Africa	Keynote Speaker, panelist	5G in Africa: Key Considerations
2.	Paul Perera	Worked for GKN Aerospace ,BAE Systems, Airbus and Rolls-Royce.	United Kingdom	Aerospace innovation expert	Keynote Speaker	Technologies/innovations driving the aerospace industry.
3.	Mitchelle Boit	Glencore	Chad/Kenya	Petroleum Engineering consultant	Keynote Speaker, panelist	How Industry 4.0 Is Transforming The Oil And Gas Supply Chain.
4.	Eng. Daniel Obam, HSC	National Communication Secretary	Kenya	Engineer	Keynote Speaker	The Role of Policy in 5G Deployment
5.	Eng. Kahoro Wachira	Energy Sector Utility	Kenya	Chief Engineer	Keynote speaker	Fundamentals of leadership in the Engineering World.
6.	Eng. Ahmed Alhamaki	Omicron	Bahrain	Regional Manager Middle East,Africa ,Europe and Turkey, Electrical Engineer	Speaker	Past, Present and Future of Electrical Power Engineering
7.	Ken Kahura	Safaricom	Kenya	Product manager at Safaricom.	Workshop trainer	Mobile Networks(Innovation, leveraging core networks and 5G)
8.	Vincent Egessa	IEEE Kenya section	Kenya	Chair person	Speaker	IEEE (What it is all about)
9.	Dr. Eng. Shadrack Mambo	Kenyatta University	Kenya	Dean School of Engineering	Panelist	Merging of the academic sector and the industrial sector in the mitigation of COVID-19 Pandemic

				ng at Kenyatta University . Electrical and Electronic s Engineer,		
10.	Danson Njue	Kenyatta University	Kenya	Lecturer Kenyatta University , Electrical and Electronic s Engineer, Researche r Telecomm unications industry	Panelist	Merging of the academic sector and the industrial sector in the mitigation of COVID-19 Pandemic
11.	Sally Musonye	IEEE KENYA SECTION KPLC (Kenya Power and Lighting company)	Kenya	Design Engineer at KPLC  IEEE PES CHAIR Kenya Chapter	Speaker	Impact of Last mile connectivity projects on power infrastructure: Universal access and Financing
12.	Bertus van Zyl	UAV Aerial Works (pty) Ltd	South Africa	Managing Director, Electrical and Electronic s Engineer & MBA from UCT,	Speaker	Drone technology
13.	Ana Garcia Armada	University Carlos III de Madrid, IEEE Communi cations Society	Spain	Professor of Electrical Engineeri ng	Speaker	Non-Coherent massive MIMO for Vehicular Communications
14.	Gerald H Asbroek	Fiera Group	Australi a	Managing Director,	Speaker	Circular Engineering

				Civil Engineer		
15.	Martin Wachiye	Oxford University	United Kingdom	DPhil Engineering Science, IEEE member	Speaker	Information Theory: A brief history, review and future directions
16.	Marvin Ngesa	Liquid Telecom	Kenya	IoT Engineer	Speaker	Internet of Things
17.	Eng. Martin Nzomo	IEEE Kenya, Kenyatta University	Kenya	Patron IEEE Kenyatta University SB, Electrical and Electronics Engineer, Lecturer	Host	Host
18.	Eric Odhiambo	IEEE Kenyatta University	Kenya	Student Member/volunteer, Student Civil Engineering	Speaker	Machine learning
19.	Allan Koech	IEEE Kenyatta University	Kenya	Student Member/volunteer, Student Biomedical Engineering	Speaker	Ui/UX design using QT5
20.	Derrick Ngigi	IEEE Kenyatta University	Kenya	Student Member/volunteer, Student Mechanical Engineering	Speaker	Computer Aided Design
21.	Cynthia Thuo	IEEE Kenyatta University	Kenya	IEEE women in Engineering Kenyatta University Chair,	Speaker	Signal processing

				Student Electrical and Electronic s Engineeri ng		
22.	Nahasho n Maina	IEEE Kenyatta University	Kenya	Student Member/ volunteer, Student Mechanic al Engineeri ng	Speaker	Piping and plumbing for modern industries and construction
23.	Jeff Ayako	IEEE Kenyatta University	Kenya	Student Member/ volunteer, Student Biosystem s Engineeri ng	Speaker	3D modelling Tools
24.						
25.	Fidel Makatia	IEEE Kenya Section	Kenya	Chair IEEE Kenyatta University , IEEE Kenya Section student represent ative, Student Electrical and Electronic s Engineeri ng	Speaker	Circuit and PCB design
